

NEWS RELEASE

Fox Meadow & Rodd Join Forces

For Immediate Release

November 28 – Charlottetown – Fox Meadow Golf & Country Club announced today that they have joined forces with Rodd Hotels & Resorts to move into the 2010 season. Royalty Catering (a Division of Rodd Hotels & Resorts) has been awarded the food and beverage concession contract for Fox Meadow Golf & Country Club's Dining Room, Lounge, Conference Facility and On-course services.

Harry Simmonds, General Manager of Fox Meadow states: "this is a natural partnership for these two like-minded companies. Fox Meadow is now entering it's 10th year of operations and has developed into the leader in customer service within the industry. The Rodd formula for both selling golf packages and their track record in the food & beverage business at other premier golf courses, eased our decision"

Mark Rodd of Rodd Hotels & Resorts explained that the two companies had a lot in common. Mark is the son of the late David Rodd, who was a well known visionary in the accommodations and golf resort business in Prince Edward Island. The family of the late Simon Compton is also following in the footsteps of their father to carry on the vision he had for Fox Meadow. Mark Rodd is quoted as saying, "It is much more than a business we are carrying forward, rather the passion that lived within our fathers. We are elated about the new partnership and see only good things to come. In addition to servicing the golfing members and green fee visitors, the facilities at Fox Meadow are a wonderful venue to host your wedding, attend a Sunday brunch, enjoy special occasion dining and as a community gathering place for events such as New Year's Eve and local business Christmas functions. In fact we are also now announcing a New Years Eve buffet will be held this year complete with a live band. The details of the event are available by contacting our Royalty Catering event desk at 1 800 565 7633."

Fox Meadow will be celebrating its 10th anniversary in 2010 and plans are underway to exceed all expectations of our guests. The new contract will be in effect upon opening day of the 2010 season.
